

Workshop

England Netball - Talent Identification Workshop

Kings School, Winchester

Monday 6 September 2010 from 5:30pm - 8:30pm

Cowes High School, Crossfield Avenue, Cowes, IOW

Sunday 12 September 2010 from 1:30pm - 3:30pm.

England Netball's new Talent Identification Workshop has been developed to help teachers and club coaches identify talented and potentially talented netballers. This is a certificated course and accredits attendees to nominate athletes to an appropriate level within the County Excel pathway (Satellite and County Academy Level).

The workshop is a CPD opportunity for teachers and club coaches; it will give them a better understanding of what is needed to succeed in netball and how they can help their talented players be the best they can be. Attendees will leave the workshop with an understanding of:

- The England Netball Excel Programmes and Structures
- The characteristics of a talented athlete
- Processes for Talent Identification and Selection
- Selection methods and considerations
- Support available

From September 2010 athlete nominations for Satellite and County Academies will only be considered from accredited nominators or scouts. This is your last opportunity to attend the workshop to be able to nominate players for this years Academy!

The cost of the workshop is £15.00 if England Netball affiliated / £20.00 if not affiliated. Cheques must be made payable to England Netball. Payment must accompany the booking form.
