**Why fundraise for Cancer Research UK?** Sadly one in two people in the UK will be diagnosed with cancer in their lifetime. Through the work that Cancer Research UK does, they've seen survival rates double over the past 40 years, from one in four in the 1970s to two in four today. However, there's still so much more work to do. That's why England Netball support Cancer Research UK and with the support of all of our members too, we will help them reach their ambition of seeing three in four people survive their cancer by 2034.

## Net 10 top tips:

- Pick a key date for your activity to take place such as a Saturday with a league fixture and communicate the date as early as possible
- **Order your materials** as soon as you can using this order form so they arrive in plenty of time for the event

Promote Net10 using the **attached poster** and **social media assets** or add details of your events to the plain poster created

- Ensure you get as many teams involved as possible
- Encourage your team mates to pay to play in fancy dress
- Get friends and family to organise courtside refreshments on the day
- Umpires can get involved by swapping their whites for some pinks
- Introduce a competitive element between clubs within your league – see who can score the most goals and raise the most money!
- Assign volunteers to collect up all the money from your event
- Let volunteers know they need to pay in their money to your regions England Netball Online Fundraising page. You can find out how to set this up in the brand new **digi pack** on page 11.

Thank you England Netball for all you do! You are amazing supporters and we couldn't do what we do without you. Good luck with you fundraising and remember to keep us updated using the #Net10forLife on social media
