**Sunday 4th June 2017**

**At**

**Russell Howard Netball Centre, Basingstoke**

**Report 9.15 am**

This year 2017 will be the 25th anniversary of the passing of Patsy and we would like, if possible, to have 25 teams entered into the tournament to celebrate this anniversary. If we do have this number of entries we will split the teams into four divisions for the morning, the teams will be re-grouped in the afternoon into the same number of divisions so that the day does not become any longer than usual.

This tournament is in the memory of Patsy who died of cancer on the 6<sup>th</sup> June 1992. Patsy played for Viabes and Rebels Netball Teams in the Basingstoke and Premier leagues.

This is an open tournament run under EN rules. Teams will be put in sections regardless of playing standard, but will be regrouped after the first set of games into 2 divisions, according to their position after the first rounds. There will be medals for the winners and runners-up of the tournament, with a shield for the overall tournament winner.

**Can all teams please bring a raffle prize this year.**

**Each team must provide an EN qualified umpire**, who could be a player. No umpire who is also hoping to play should try to umpire for 2 teams.

**For all tournament queries phone Barbara Mellish on 01256 781057.**

**Closing date for entries is Sunday 21<sup>st</sup> May 2017**
